## PARENT/CARER CONSENT FORM

During the school year there are occasions when it would be beneficial to the children's work to be able to make visits into the neighbourhood beyond the school grounds e.g. local shopping parade, library, the park etc. Educational visits outside the local area requiring coach travel will also take place during the academic year. It is necessary for parental approval to be given for such visits to take place.

You will of course be notified in advance by letter when any such visit is planned. As always, whilst school staff and helpers in charge of the party will take all reasonable care of the children, they cannot be held responsible for any loss, damage or injury suffered by the children in travelling to or from, or taking part in any of these activities unless such loss, damage or injury is directly attributable to the negligence of the staff and/or helpers in charge of the party.

Please be assured that all such visits are well supervised.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'A Harrison', written in a cursive style.
