NGPS NEWS

Northgate Primary School Newsletter

THANK YOU!

On behalf of Northgate Primary and the PTFA we would like to say a massive thank you for all the donations we have received today! We are always so amazed by the generosity of our Northgate community.

More information will follow regarding the PTFA Stop and Shop Stall.

Don't forget to look at the dates for your diary below to see what else is coming up this term.

We hope you have a lovely weekend!

**Warm regards,
Amanda Harrison**

West Sussex KS2 Maths Sessions

Would you love to feel more confident helping your child with their maths homework? Our 'Family Learning: helping your child with numeracy at key stage 2' course is designed just for parents and carers like you! In a relaxed and supportive environment, you'll learn simple, effective strategies to support your child's learning at home, with no complicated jargon or tests, just practical tools and tips that really work.

This course will not only boost your child's confidence in numeracy but also strengthen the connection between learning at school and at home. You'll explore the methods children are taught in the classroom today, so you can help them without confusion. Whether it's times tables, fractions, or problem-solving, you'll soon feel equipped to guide your child through their maths journey with ease and enjoyment.

Family learning is also a fantastic way to spend quality time together. You'll meet other parents, share experiences, and see first-hand the positive impact your support can have on your child's progress. Join us for this fun, friendly course and take the mystery out of maths because learning together really does make a difference.

Please click [here](#) to find out more and enrol on this course, which takes place at Roffey Millennium Hall from 10 September to 1 October 2025
