What a hit!!

Thank you so much to everyone who made the school disco such a success this week! The children loved showing their moves and it was a great way for them to celebrate the success of this term.

I am very proud of the children's resilience to be in school every day and this is having a positive impact on our school attendance. Well done to the Reception children for the BEST attendance this term so far! What a great start to your learning journey.

Next **Thursday afternoon** the classes with the best attendance will get a **special reward afternoon!** The children are very good at looking after themselves to ensure they are healthy and fit for school everyday - thank you for all your support to help them.

Exciting News: Free Trial of Reading Eggs!

We're thrilled to announce that our school has access to a free one-month trial of Reading Eggs, a fun and interactive online reading programme designed to support children from early phonics to confident reading and comprehension.

Why Reading Eggs?

- 👶 Fast Phonics helps younger children master phonics through engaging games, decodable books, and fun characters like the Yeti.
- 📖 Reading Eggs builds reading confidence with songs, golden eggs, and rewards that motivate children to keep learning.
- 🧠 Reading Eggspress supports older readers with comprehension lessons, spelling games, and a digital library of over 3,500 books.

How to Get Started:

Your child's teacher will send home login details.

Visit <https://readingeggs.com> and sign in on a computer, tablet, or phone.

Explore together – children can earn rewards, track progress, and even write book reviews!

What's Next? We'll be asking children what they think of Reading Eggs. If they enjoy it and we see positive impact, we'll look into using it long-term to support reading across the school.

Let's make reading fun, engaging and part of everyday life – both at school and at home!

Free Dental Check-Ups for Children

Ensuring healthy smiles for every child

We believe in the importance of accessible healthcare. Every child should have access to high quality, essential dental care, no matter their circumstances.

Early dental care is critical in shaping a child's long-term health, and regular check-ups – ideally every 6 months – are key to preventing issues (such as tooth decay and cavities) and creating positive habits that last a lifetime.

We're aware that not all children have access to this care, which is why we've partnered with 'Give Kids a Smile' to offer **100 free check-up appointments on 27th Oct 2025** to children at the **Hollybush Dental Clinic**.

On the day, you can expect:

- **FREE dental check-ups** for children
- **FREE gifts & resources** for every child
- **Helpful oral health advice** to parents and guardians - to help to understand how to support your child's dental health at home.

By focusing on prevention and education, our Give Kids a Smile Day on 27th Oct 2025 at our practice on Hollybush Road is designed to support and equip local families with the knowledge and resources needed to help children maintain healthy smiles for life.

Those early dental visits with a friendly-faced dentist will help children to become familiar with dental care, reducing anxiety in future visits and making it easier to maintain regular check-ups into adulthood.

Use the QR code provided to register your interest. Or contact us by emailing: reception.hollybush@colosseumdental.co.uk providing your name and a contact phone number, quoting 'GKAS' in the email.

Immediate advice if you have concerns about a young person's firesetting behaviour:

1. Consider your own actions and how they may influence the behaviour of the children you are responsible for.
2. Never leave matches or lighters around the home, even in pockets or handbags.
3. Never assume toddlers or infants are incapable of lighting a match or lighter.
4. Be aware they may hide matches and/or lighters in their clothing, possessions or bedrooms for use later.
5. Ensure that you have working smoke alarms on each floor and one in the bedroom of the young person.
6. Do not allow rubbish to pile up.
7. If you have an open fire make sure it is fitted with an adequate safety guard.

This photograph shows an example of a trained 'Firewise' advisor working with a young child to discuss what is 'safe or unsafe' and the reasons they have for their decisions.

This activity allows the child to talk about experiences they have had with fire and for the advisor to educate about making safe choices.

If you would like more information about the Firewise scheme or to make a referral, please contact us:

FIREWISE

PROTECTION EDUCATION
PREVENTION

West Sussex
Fire & Rescue Service

Do you have concerns about a young person and fire?

Why do young people play with fire?

Young people may play with fire for various reasons, for example, a natural curiosity or seeking attention. Without help and guidance, firesetting behaviour can escalate and lead to more serious consequences.

We can reduce the chances of young people starting fires by understanding and challenging their behaviour and by giving them some basic fire safety advice.

We can give guidance to parents, carers and professionals who may be concerned about a young person playing with fire.

Watch out for these tell-tale signs of firesetting behaviour:

- Matches or lighters hidden in bedrooms, school bags or coats.
- An unusual fascination with fire.
- Small burn holes on carpets, bedding and furniture.
- Scorch marks in hidden locations such as in wardrobes or cupboards.
- Burnt paper or objects in bins.
- Burnt matches lying around.
- Noticing the smell of burning.
- Unexplained fires in the home or garden.
- Noticing injuries to skin e.g. burns.

Our Firewise Scheme...

Aims to eliminate the likelihood of young people firesetting in the future, by educating them about the dangers and impacts of fire, enabling them to make safer choices.

All of our 'Firewise' advisors will provide information, support, advice and guidance to you and the young person.

Our advisors are available to visit schools, home or other establishments. Permission of parents/carers is required before any visit is undertaken.

Once a referral is received, an advisor will make contact to arrange a visit at a time and place convenient for you and the young person.

A menu of flexible and tailored activities, have been created to develop and enhance the young person's fire safety knowledge.

Through partnership working, we can liaise with organisations that assist the young people with other needs that they may have.
