## Happy Holidays

As school draws to a close, I would like to say a huge thank you for all of your support this term, your kind words and gifts which you have sent us all this Christmas. The children have made so much progress since they returned in September and I am very proud of how ambitious they have been in their learning.

Well done to Apple Class and Elm Class for winning the 20 days of Christmas attendance awards! Congratulations to Ash Class for winning the reading around the world challenge. Enjoy your treats everyone!

I hope you all have a good break and enjoy the time with your friends and families. We look forward to welcoming you back on Tuesday 6<sup>th</sup> January 2026.

Take care, keep smiling and enjoy every moment making memories this Christmas.

**Warm regards,**  
**Amanda Harrison**

Over the Christmas break every reading mile will count! After the holidays all points will be reset and every class will start from the same country. This means any class can win. It's a fresh start for everyone. The class that travels the furthest will earn a special reward, so keep reading every day with your child and double your miles. Every page brings them closer to their next destination!

Tip for Parents:

Make reading part of your holiday routine. Snuggle up with a book, read aloud together or explore a new story each night. Every mile matters!

Let's see how far we can go together!

Well done to Y3 Ash Class for flying the furthest making it all the way to Italy! The children have been rewarded with gelato this afternoon!

## Year 5 Boys Visit Gatwick School

This term, some of our Year 5 boys had the fantastic opportunity to visit Gatwick School and take part in a special reading session with Year 9 pupils. The aim of this visit was to build confidence, share the joy of reading and create positive role models across different age groups.

The impact has been incredible! Our Year 5 pupils enjoyed reading alongside older students, learning new vocabulary and discussing stories in a supportive environment. It was inspiring to see friendships forming and a shared love of reading bringing two schools together. Experiences like this help our pupils see that reading is not just a classroom activity. It's a lifelong skill that connects people.

A huge thank you to Gatwick School for hosting us and to our Year 5 boys for representing our school so brilliantly!

## **Celebrating Our Reading Champions!**

**We want to give a big thank you to our amazing Reading Champions for the fantastic work they've done this term. By reading with our younger children, you've helped them grow in confidence, improve their fluency, and discover the joy of stories. Your dedication is making a real difference across our school.**

**Reading is the key to unlocking imagination, knowledge and success. Keep sharing your love of books, recommending great reads and inspiring others to pick up a story. Together, we're building a culture where reading is celebrated every day.**

**Thank you for being true champions of reading!**

Thirty pupils from Years 5 and 6 took part in trials for just six places on the school basketball team. The exceptionally high standard made selecting the squad a real challenge. The team went on to achieve an impressive 3rd place overall, narrowly missing out on a place in the final after losing by just one basket to the eventual winners, MBS.

A special mention goes to Zack, who was recognised for his dedication and hard work on court and was awarded a certificate for his efforts.

**Immediate advice if you have concerns about a young person's firesetting behaviour:**

1. Consider your own actions and how they may influence the behaviour of the children you are responsible for.
2. Never leave matches or lighters around the home, even in pockets or handbags.
3. Never assume toddlers or infants are incapable of lighting a match or lighter.
4. Be aware they may hide matches and/or lighters in their clothing, possessions or bedrooms for use later.
5. Ensure that you have working smoke alarms on each floor and one in the bedroom of the young person.
6. Do not allow rubbish to pile up.
7. If you have an open fire make sure it is fitted with an adequate safety guard.

This photograph shows an example of a trained 'Firewise' advisor working with a young child to discuss what is 'safe or unsafe' and the reasons they have for their decisions.

This activity allows the child to talk about experiences they have had with fire and for the advisor to educate about making safe choices.

If you would like more information about the Firewise scheme or to make a referral, please contact us:

**Do you have concerns about a young person and fire?**

**Why do young people play with fire?**

Young people may play with fire for various reasons, for example, a natural curiosity or seeking attention. Without help and guidance, firesetting behaviour can escalate and lead to more serious consequences.

We can reduce the chances of young people starting fires by understanding and challenging their behaviour and by giving them some basic fire safety advice.

We can give guidance to parents, carers and professionals who may be concerned about a young person playing with fire.

**Watch out for these tell-tale signs of firesetting behaviour:**

- Matches or lighters hidden in bedrooms, school bags or coats.
- An unusual fascination with fire.
- Small burn holes on carpets, bedding and furniture.
- Scorch marks in hidden locations such as in wardrobes or cupboards.
- Burnt paper or objects in bins.
- Burnt matches lying around.
- Noticing the smell of burning.
- Unexplained fires in the home or garden.
- Noticing injuries to skin e.g. burns.

**Our Firewise Scheme...**

Aims to eliminate the likelihood of young people firesetting in the future, by educating them about the dangers and impacts of fire, enabling them to make safer choices.

All of our 'Firewise' advisors will provide information, support, advice and guidance to you and the young person.

Our advisors are available to visit schools, home or other establishments. Permission of parents/carers is required before any visit is undertaken.

Once a referral is received, an advisor will make contact to arrange a visit at a time and place convenient for you and the young person.

A menu of flexible and tailored activities, have been created to develop and enhance the young person's fire safety knowledge.

Through partnership working, we can liaise with organisations that assist the young people with other needs that they may have.

## Player Development Programme Under 6/7 Trials
