

Pole to Pole

Year 2
Spring Term 2026

This term our topic is Pole to Pole, which is a Geography based topic. Our key texts are Leaf and A Day in the Savannah.

You could help your child at home by...

- *Reading to your child at least 5 times a week. Talk about the pictures making sure your child understands they can use these to help them understand the story. They will earn miles every time they read.*
- *Ask your child questions starting with Who, What, Why, When and Where.*
- *Listen to your child read their phonics book daily.*
- *Encouraging your child to learn any spellings and/or tricky words which they are given.*
- *Continue counting in 2s, 5s and 10s.*
- *Finding ways to practise maths around the home. Practise paying for items at the shop. Talk about halves and quarters. You can do this by chopping up food.*

We are looking forward to a busy and exciting term of learning. Please contact the Year 2 Team if you would like any more information or support.

PE days are

Tuesday and Wednesday for Maple

Monday and Wednesday for Blackthorn and Hazel

Please send children to school in their PE kits on these days.

Mrs Damani-Tank - Blackthorn Class

Mrs Haymes and Mrs Williams - Maple Class

Mrs Morris - Hazel Class
