

The Great Fire of London

Long Ago & Far Away

Year 2 – Summer Term 2026

This term we will be exploring the historical events of 1666, supported by our key text "Molly McDrew & the Great Fire of London" and the Rainbow Theatre Company.

To help us achieve our learning and in readiness for Year 3 please help your child at home by...

- * **Reading with your child at least 4 times a week.** Talk about what is happening in the pictures so that your child understands they can use these to answer questions about the story.
- * Ask your child questions starting with **Who, What, Why, When and Where** to help them develop their understanding of the vocabulary.
- * **Read** to your child and sharing stories together in English and/or home language.
- * Encourage your child to learn any spellings and/or tricky words which they are given. Then use the spellings in sentences.
- * Continue **counting in 2s, 5s, 10s and 3s** forwards and backwards in addition to the times tables facts for each of these.
- * Log onto **Numbots** to practise numberbond facts.

Our PE days are Monday and Wednesday.

We are looking forward to another busy and exciting term of learning. Please remember to contact us through ClassDojo if you would like any more information or support.

Blackthorn Class - Mrs Damani-Tank
Maple Class - Mrs Williams/Mrs Haymes
Hazel Class - Mrs Morris
