Preparing for a visit

It's been a lovely week of sun and smiles and we are all ready for a long weekend. Hopefully the sun will continue to shine.

I wanted to give you a update regarding the pending Ofsted inspection which should be happening this summer term. Ofsted has renewed their framework and after the visit we will have a report card issued. I have added a link to a video which has been produced for parents to explain the format of the report card.

Follow this link to view the video:

[New Ofsted report cards and grades - a guide for parents](#)

As part of the process you will be asked to complete an online survey - you can use this link to access the survey now to share your views about our school.

Thank you for your continued support. Have a fun weekend.

Warm regards,
Amanda Harrison

Y5/6 County Cricket Finals

After winning the Crawley area cricket finals Northgate went on to represent Callie in the county finals at BACA in Brighton. We have been immediately identified by other teams as a strong outfit but disappointingly lost a game where we were fishing for ones that weren't there. This put us in third fourth play-off which we were triumphant and came home with Bronze! An awesome team. Well done boys!

Sports Hall Athletics

Kurling and boccia county finals

A Fantastic effort by the year 6s to win the area finals and go onto represent Crawley in the county finals in Worthing. Some very tactical play enabled us to win gold in boccia and bronze in kurling. Well done team Northgate!

Free Dental Check-Ups for Children

Ensuring healthy smiles for every child

We believe in the importance of accessible healthcare. Every child should have access to high quality, essential dental care, no matter their circumstances.

Early dental care is critical in shaping a child's long-term health, and regular check-ups – ideally every 6 months – are key to preventing issues (such as tooth decay and cavities) and creating positive habits that last a lifetime.

We recognise that not all children have access to essential dental care, which is why we're hosting **Little Smiles Week**. As part of this initiative, we'll be offering 100 free check-up appointments for children on **26th - 29th May at Northgate Dental Clinic**.

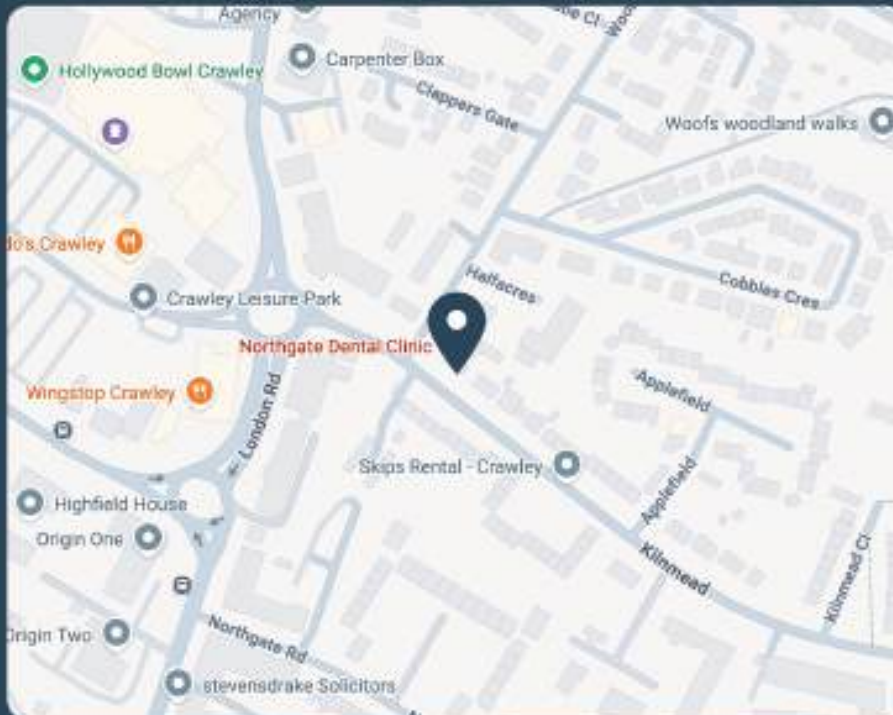

On the day, you can expect:

- **FREE dental check-ups** for children
- **FREE gifts & resources** for every child
- **Helpful oral health advice** to parents and guardians - to help to understand how to support your child's dental health at home.

By focusing on prevention and education, our Little Smiles Week on **26th - 29th May** at our practice is designed to support and equip local families with the knowledge and resources needed to help children maintain healthy smiles for life.

Those early dental visits with a friendly-faced dentist will help children to become familiar with dental care, reducing anxiety in future visits and making it easier to maintain regular check-ups into adulthood.

Use the QR code provided to register your interest. Or contact us by emailing: **reception.northgate@colosseumdental.co.uk** providing your name and a contact phone number, quoting '**LSW**' in the email.
