Please note: Nursery spaces are subject to availability, we will contact you only once your child is the right age – one school term AFTER your child has turned 3, and if a space is available. We do not accept any children before they have turned 3.

We would also like to make you aware that a space in Northgate Nursery does not automatically guarantee a place in Reception. You will need to apply for a space via West Sussex county council when your child is due to start school.
